The *Crossroads Cluster* newsletter has been created to provide members and attendees of Centenary UMC, Maple Avenue UMC, Memorial UMC, Northside Community UMC, Seelyville UMC, and United Campus Ministries with information regarding important events, ministries, and small group opportunities taking place in the other UM Churches. Our hope is that, through this newsletter, we will become more alert of the gifts and needs of our clustered churches, support one another, and work together to provide a more resourceful and efficient instrument of God in our community.
